MEMORANDUM
Community Development Department

**DATE:** November 1, 2015

**TO:** Randy Tsuda, Community Development Director

FROM: Terry Blount, Assistant Community Development Director/Planning

Manager

SUBJECT: November 1, 2015 - Planning Division Update

The purpose of this memorandum is to inform you about the status of *notable* development projects and long-range planning efforts in the City. I understand that other parties interested in following development and policy changes in the community will likely use this memorandum, so I've also included the name of the project planner assigned to each project and the name of the applicant. Members of the public can click on the project planner's name to email them directly or click on the project website if one is available to find out more about the project. Also included are symbols to let you know whether something is approved – , and/or under construction – . Changes to this month's update are underlined. Finally, the projects are organized by *General Plan Change Area* and *Neighborhood Planning Areas* (see Attachment 1 – Map: Planning Division Update for the location of listed projects).
