

MEMORANDUM

Community Development Department

DATE: March 10, 2015

TO: Randal Tsuda, Community Development Director

Terry Blount, Asst. Community Development Director/Planning Manager

FROM: Gerry Beaudin, Zoning Administrator

SUBJECT: March 2015 - Planning Division Update

The purpose of this memorandum is to inform you about the status of *notable* development projects and long-range planning efforts in the City. I understand that other parties interested in following development and policy changes in the community will likely use this memorandum, so I've also included the name of the project planner assigned to each project and the name of the applicant. Members of the public can click on the project planner's name to email them directly or click on the project website if one is available to find out more about the project. Also included are symbols to let you know whether something is approved – and/or under construction – changes to this month's update are <u>underlined</u>. Finally, the projects are organized by *General Plan Change Area* and *Neighborhood Planning Areas* (see <u>Attachment 1 – Map: Planning Division Update</u> for the location of listed projects).

NORTH BAYSHORE CHANGE AREA

1. North Bayshore Precise Plan Update 🔮

The Precise Plan establishes a new vision based on the General Plan's policy direction for the *North Bayshore Change Area*. The vision is based on habitat preservation, sustainability, economic development, and improved mobility. The Precise Plan will include new land use standards to guide future development in the area.

Status/Next Step(s): On November 25, 2014, the City Council approved the Precise Plan and certified the EIR. Plans have been submitted for the Bonus Floor Area Ratio (FAR) allocation review. In April, staff will present an update on options to consider allowing housing in the area and a recommendation on the Bonus FAR allocation.
